

Press Release

WhosOnLocation Named Among the Fastest Growing Tech Companies in APAC

21 December 2016

WhosOnLocation (@WhosOnLocation) is ranked Number 458 on the Deloitte Technology Fast 500™ Asia Pacific 2016.

WhosOnLocation, a Visitor Management SaaS company based out of Wellington, saw 104% growth from 2015-16 gaining number 458 on the Deloitte Technology [Fast 500](#)™ Asia Pacific 2016 list, released in December 2016.

Entrants were judged on technical innovation, entrepreneurship and rapid growth and covered public and private companies of all sizes and spanning many sectors. The winners are seen to be transforming the way business is done today.

"Being at number 458 in the list of the fastest growing tech companies in APAC is a credit to the hard work of our team and the high quality of our product," says Darren Whitaker-Barnett, CEO, WhosOnLocation.

"This rapid approach comes down to our continued innovative approach, feature rich software, and the appeal to enterprise as well as SME businesses around the world who choose to use WhosOnLocation to improve the safety and security of their people, assets and IP has led to this rapid growth," says Whitaker-Barnett

"We are proud to celebrate our growth alongside some of our esteemed friends, collaborators, customers, and providers, including [ShowGizmo](#), [Uprise Digital](#), [Spotlight Reporting](#), [90 Seconds](#), [ARANZ Medical](#), and [Timely App](#)."

"It's great to see the New Zealand tech sector showing its true potential and hitting new growth strides, of which these Fast 500 results are clear proof of."

"To sit among the top Australasian and Asian tech companies in terms of rapid growth, innovation and entrepreneurship is huge for any company, and it's a place WhosOnLocation is very happy to be."

"We are looking forward to this continued level of growth and innovation as we maintain the momentum from 2016 into 2017 and beyond," says Whittaker-Barnett.

Ends.

Deloitte Technology Fast 500™ Asia Pacific selection and qualifications

The [Technology Fast 500™](#) list is compiled from the Deloitte Asia Pacific Technology Fast 50 programs, nominations submitted directly to the Technology Fast 500™, and public company database research. To qualify for the Technology Fast 500™, entrants must have had base-year operating revenues of at least US\$ 50,000. Entrants must also be public or private companies headquartered in Asia Pacific and must be a "technology company," defined as a company that develops or owns proprietary technology that contributes to a significant portion of the company's operating revenues; or manufactures a technology-related product; or devotes a high percentage of effort to the research and development of technology. Using other companies' technology in a unique way does not qualify.

About WhosOnLocation

[WhosOnLocation](#) is a cloud service that brings together visitor, contractor, and employee presence, induction management, identity management, and access rights control into a single integrated solution. These services enable any organisation with an obligation to protect the wellbeing of its employees, visitors, and contractors as well as a need to provide security for its assets and intellectual property with a robust, secure, easy to deploy, easy to use, cost effective solution.
